Connect Access Card for Ethics for Life Judith Boss

Both scholarly and practical, this text with readings provides a clear, well-organized overview of theoretical ethics. With a contemporary tone and framework, it aims to significantly improve students' ability to make real-life moral decisions. Multicultural coverage and attention to college students' moral development help readers relate the material to their own experience and their own moral growth.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient. For instance, **Connect** contains **SmartBook**, the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive **LearnSmart** engine, **SmartBook** facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Ethics for Life*, the material continuously adapts to ensure that he or she is focused on the content most crucial to closing specific knowledge gaps.
