DEMON ROMANCE

Once a serial trilogy, "Demon Romance: Forbidden Mate" is now a complete collection.

This complete collection of "Demon Romance: Forbidden Mate" series includes:

- Submission to a Demon Lord
- Chained to the Alpha
- Fruit of his Loins

This is not the typical bad boy meets good girl story.

Elizabeth has been passed from one foster home to another since birth, a lifetime of rejection that has landed her as an escort in Las Vegas. She's ready to lay back and surrender her final shred of dignity, when he arrives: an otherworldly man with looks (and capacity) to kill, kicks in the door and calmly insists that Elizabeth leave with him.

Little does she know that this stranger is the ruler of the Canine Demons, immensely powerful dog-like spirits capable of taking human form, and that this Canine Lord believes that not only is she one of them, but that she's the reincarnation of his mate, Emilie, the woman he's torn through half a world to find.

★★★★★

"POWERFUL! Lucile Wild creates an intensely romantic world for young and old alike. A place where there is darkness and light, love and hope, and if you dare to go there you will never want to leave."
