He Loves Me! Learning to Live in the Father's Affection Wayne Jacobsen

So many Christians believe God's love is fickle: when they sin, He turns away in disgust and anger. They vacillate between "He loves me" and "He loves me not" because of their behavior. That reasoning, writes Wayne Jacobsen, is as flawed as pulling petals from a daisy. Rather God's love is sturdy, enduring, and undisturbed by people's failings because God loves humankind not for what they do--but who they are. They are God's beloved creation.

Startlingly honest and empathetically written, HE LOVES ME! reveals the facts of God's relentless grace. Readers will learn how to live consciously, confidently in this love all the time. Questions for personal reflection and group discussion help make these truths practical and life-changing. Insecure Christians ready for a revolutionary relationship with God will find out just how accessible that is.
