Reality Gendervision: Sexuality and Gender on Transatlantic Reality Television

Reality Gendervision: Sexuality and Gender on Transatlantic Reality Television

This essay collection focuses on the gendered dimensions of reality television in both the United States and Great Britain. Through close readings of a wide range of reality programming, from *Finding Sarah* and *Sister Wives* to *Ghost Adventures* and *Deadliest Warrior*, the contributors think through questions of femininity and masculinity, as they relate to the intersections of gender, race, class, and sexuality. They connect the genre's combination of real people and surreal experiences, of authenticity and artifice, to the production of identity and norms of citizenship, the commodification of selfhood, and the naturalization of regimes of power. Whether assessing the Kardashian family brand, portrayals of hoarders, or big-family programs such as *19 Kids and Counting*, the contributors analyze reality television as a relevant site for the production and performance of gender. In the process, they illuminate the larger neoliberal and postfeminist contexts in which reality TV is produced, promoted, watched, and experienced.

Contributors. David Greven, Dana Heller, Su Holmes, Deborah Jermyn, Misha Kavka, Amanda Ann Klein, Susan Lepselter, Diane Negra, Laurie Ouellette, Gareth Palmer, Kirsten Pike, Maria Pramaggiore, Kimberly Springer, Rebecca Stephens, Lindsay Steenberg, Brenda R. Weber
