Something of a Storm (All in Good Time Book 1) Brooke St. James

Laney Spencer had a crush on Zack Callahan for as long as she could remember—not that it would ever amount to anything since he was way out of her league.

She was stuck in a rut and needed to make a change.

She was a talented artist and had been encouraged to move to San Francisco to pursue her dreams. Days after her little sister graduated high school the two packed their truck and headed south to California.

Laney was ready for a new start and assumed everything would go perfectly. She assumed the transition would be painless. When her assumptions proved wrong, all she could do was trust that God's plans were better than her own... especially when His plans included finding the man of her dreams.
