In 1943 Pope Pius XII issued an encyclical letter, *Divino Afflante Spiritu*, which encouraged Roman Catholics to translate the Scriptures from the Hebrew and Greek texts, rather than from Jerome's Latin Vulgate. As a result, a number of Dominicans and other scholars at the École Biblique in Jerusalem translated the scriptures into French. The product of these efforts was published as *La Bible de Jérusalem* in 1956. This French translation served as the impetus for an English translation in 1966, the Jerusalem Bible. For the majority of the books, the English translation was a translation of the Hebrew and Greek texts; in passages with more than one interpretation, the French is generally followed. For a small number of Old Testament books, the first draft of the English translation was made directly from the French, and then the General Editor produced a revised draft by comparing this word-for-word to the Hebrew or Aramaic texts. The footnotes and book introductions are almost literal translations from the French. [Wikipedia] This book is based on the Jerusalem Bible but is intended for children and young adult readers. Wonderful color illustrations by Brother Eric de Saussure of the Taize Community.
