Focus on Grammar 4 (4th Edition) Marjorie Fuchs, Margaret Bonner

Focus on Grammar, in its new fourth edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication — blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively.

Centered on thematic instruction *Focus on Grammar* allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication.

New features include:

- Updated **high-interest readings** in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts.
- Key **vocabulary** is taught, practiced, and recycled throughout each unit, to ensure acquisition.
- Fully redesigned **grammar charts** and notes that provide greater clarity.
- **Explicit pronunciation** activities to improve fluency and accuracy.
- **Expanded listening tasks** allow students to develop a range of listening skills.
- Flexible, ongoing **assessment** — including unit reviews, diagnostic and achievement tests, and test-generating software — allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack)
