Are you a secondary school teacher who needs to know about phonics and teaching reading? Then this book is for you.

There are lots of books on teaching phonics but most are written to support primary teachers. This book is written specifically for **secondary teachers** working with children who need support with reading. The text uses **case studies from secondary schools** to highlight effective ways to support children with reading and includes useful tips on teaching strategies and ideas for resources. The text covers the subject knowledge you need for the teaching of reading in the broadest sense, including phonics. Intended to support you, as a secondary teacher, it gives **guidance on planning** methods of assessment and explores a range of **intervention programmes** and resources.

This text is your comprehensive support resource in teaching reading.
