*"When I was little, I could hardly do anything. But now I can do lots of things, like braid my own hair and go to nursery school. I'm not a baby anymore. I'm me!"*

Jamie Lee Curtis and Laura Cornell perfectly capture a little girl's simple, childlike celebration of herself, as she looks back on her childhood from the lofty height of four and a half years. This spirited view of growing up is perfect for the youngest readers.
