All of us have hidden parts within us. These are the things about ourselves that we do not see-our haunting darkness and our illuminating light. We often hide from our own flaws. But we also can hide from our own undeveloped talents and vital spirit. Most of us would like to discover a more whole and complete self. To do this, we must clearly see the accurate reflection of ourselves in the people and objects around us. What it takes is to discover our unseen but true reflection in the cosmic mirror. Come join us. Begin your journey down a new path. In this fascinating self-empowerment guide, coauthors Gary Gemmill, Ph.D. and George Kraus, Ph.D. provide a template for our transformation and growth. One of the most important books of our generation. "In a word, powerful. Clearly illustrates the profundity and absurdity of our relationships with others. Takes the reader beyond the polarities of our conflicts with others to a place of renewal and hope for a more unified and peaceful world." - Philip Lichtenberg, Ph.D., Director of the Gestalt Therapy Institute of Philadelphia and author of *Encountering Bigotry: Befriending Projecting Persons in Everyday Life*
