SECRET SANCTION'S Major Sean Drummond is back, with a new case that challenges his deepest fears and a colleague who challenges just about everything else. Assigned to South Korea as an advocate for an officer accused of brutally killing the son of a South Korean war hero, Drummond is teamed up with an old law school nemesis. Katherine Carson is an attorney with a reputation for manipulating the media on behalf of her clients. Drummond is distraught to be working with a woman who knows how to push all his buttons but he is the one man the CIA can trust with its disturbing secrets. And Drummond quickly learns that what appears to be an open and shut case is really just the top layer of a deep conspiracy.
