### An epic edge-of-your-seat ghost story that you won't want to put down

Dan is a professional ghost hunter who's never actually found a ghost. But his newest case is promising: a cursed Russian rifle allegedly haunted by a demon. Anyone who touches the antique weapon dies within 24 hours. But for Dan, it's personal — he's still mourning the death of his fiancée Adelaide, and he's desperate to find proof that ghosts exist. At any cost.

As the clock ticks down, Dan's paranormal investigation quickly twists into a mind-bending nightmare. He is chased through time and memory by a terrifying demon. And as for his lost love, Adelaide? She might be the only one who can save him . . .
