Human traffickers abduct children to feed a 35 BILLION DOLLAR PER YEAR industry. Children are raped, sodomized, tortured, murdered.

IN the United States, a child goes missing every 40 SECONDS.

STREET HARVEST is their story.

What do the bodies of two young children have in common with the murders of two adult men?

Eleanor Hasting, a black bookstore owner and child advocate, knows these killings are linked. She must convince Lieutenant Michael Williams, head of the Special Crimes Team.

Psychic Jaimie Wolfwalker, is prepared to do whatever it takes to locate and rescue the missing street children. The law be damned. Jaimie's attitude and methods place her on a collision course with Sergeant Nita Slowater, second-in-command of the Special Crimes Team.

Four dedicated people struggle to come to terms with each other in their desperate search for clues. Every day brings more missing children, more young bodies. Can they stop the monsters before another child disappears?
