The Story of English: Third Revised Edition Robert McCrum, Robert Macneil, William Cran
Now revised, **The Story of English** is the first book to tell the whole story of the English language. Originally paired with a major PBS miniseries, this book presents a stimulating and comprehensive record of spoken and written English—from its Anglo-Saxon origins some two thousand years ago to the present day, when English is the dominant language of commerce and culture with more than one billion English speakers around the world. From Cockney, Scouse, and Scots to Gulla, Singlish, Franglais, and the latest African American slang, this sweeping history of the English language is the essential introduction for anyone who wants to know more about our common tongue.
