Little Harmless Rumor

Rumors are swirling about the fall of Sean Kaheaku, but he's ignoring them. Six months earlier, he had his entire world turned upside down and he still doesn't know what to do about it. He retreated to his home in Hawaii to recover and reassess what he wants to do now that he's been burned as a security agent.

Now lovers, Randy and Jamie arrive in Honolulu to find the lover they once knew is now even more secretive and belligerent. He refuses their help, but they are both too stubborn to leave—especially since they sense something dangerous is stalking Sean.

As the three lovers spend more time together, old feelings float to the surface and the twosome becomes a threesome. Nights are even hotter than the Hawaiian sun, and all three lovers find the connection exciting and overwhelming. But, the trouble is still out there and arrives intent on destroying Sean and everything he loves—including Randy and Jaime.

Warning: This book contains three spies who like to play games in and out of the bedroom, hot m/m loving, more m/m/f loving, dangerous games, lies, a few misdemeanors, and love scenes so hot, even most Addicts will be shocked. There is also a group of Alpha males with badges who will have their own series, a heroine who knows how to handle her two men, and two men who know exactly what she likes. As usual, ice and towels should be handy to help you through the book.
