Deviant Behavior: A Novel of Sex, Drugs, Fatherhood, and Crystal Skulls Mike Sager

Jonathan Seede is the picture of Washington, DC, respectability, an urban pioneer with a pretty wife, a new baby, and a job at the town's most esteemed newspaper. But ten blocks from the White House, on the notorious Fourteenth Street strip, a war is raging over deviant behavior. And Seede is on the front lines, deep into a secret freelance project that's taking him to places where most people would never dare to go.

As he descends into an inferno of repressed urges and human frailties, Seede's journey plays out against a brilliantly realized portrait of the nation's capital, featuring pimps and hustlers, an accidental hooker, an honest cop, a storefront prophet/marijuana dealer, a beautiful teenage runaway, a crack-addicted music legend, an A-list gay activist, and a diminutive billionaire who is searching for the answers to life's greatest questions in a crystal skull. The first novel from best-selling journalist Mike Sager, *Deviant Behavior* is a mad, vivid, and daring romp through a society in crisis, and the story of what happens when one frustrated father decides to Just Say Yes.
