Lady Chatterley's Lover

D. H. Lawrence

Lady Chatterley's Lover D. H. Lawrence

Lady Chatterley's Lover is a novel by D. H. Lawrence. The narrative concerns Lady Chatterley, a young, middle-class married woman whose husband has been paralysed from the waist down after a grievous war injury. On top of the obvious physical problems this caused, he also emotionally neglected his wife, which caused a deep rift between the two. Eventually, this leads to Lady Chatterley's having an affair with her lower-class gamekeeper, which brings to the foreground the major motifs of the play: class dominance, and the inability to live happily with the mind alone. A masterful piece of literature sure to appeal to the discerning reader, Lady Chatterley's Lover is a worthy addition to any bookshelf and is not to be missed by fans or collectors of Lawrence's prolific work. This book was originally published in 1920, and we are proud to republish it here complete with a new prefatory biography of the author.
