Religion, Pluralism, and Public Life

A powerful reappropriation of Abraham Kuyper's thought.

Abraham Kuyper's Christian vision of society, communicated in the famous Stone Lectures one hundred years ago, remains influential worldwide. In this volume an international cast of scholars reflects on Kuyper's social and political thought and its meaning for contemporary public life. These penetrating essays explore from an interdisciplinary perspective how a Christian worldview can help address the most pressing issues of twenty-first-century civilization—religious pluralism, civil society, and globalization.
