Spoiled Rotten Day: A love story between a grandfather and his grandchildren Kenan, Skyler, Soren

Spoiled Rotten Day is a special occasion in the lives of a grandfather and his four grandchildren. It is also a story, one that renews itself each time he or they travel the several hundred miles to be with each other. The book's charming illustrations, captured by photographer Carol Mosolygo, record a "Spoiled rotten day" a number of years ago when his oldest twin grandsons, Soren and Skyler, were five years old. It was also the year they announced they were going to start awarding their grandfather his own spoiled rotten day and that they wished every child had one.
