Stories from My Heart: A Cardiologist's Reflections on the Gift of Life Dr M. P. Ravindra Nathan
Stories from My Heart A Cardiologist's Reflections on Life Stories from My Heart is a collection of stories and essays that come right out of the author's heart. These are real life experiences that capture the fascinating details, challenges, drama and at times humor as well, while working through three different countries in three different continents in the world - India, England and USA. Dr. Nathan has been practicing Cardiology and Internal Medicine for the past 50 years. He has had a remarkable journey in medicine under different conditions in many parts of the world. Through these well crafted stories he captures the drama, challenges, tragedies and triumphs with great compassion, fascinating details and humor where it can be found. Dr Nathan is an amazing story teller who writes with fervor and inimitable fascination for the human spirit and he is endowed with a natural gift for interweaving cutting edge medical technology with lucid and concise literary finesse. The book also gives the reader a peek into the medicine of the 21st century America as well as a preview of the art of medicine which is as old as human history itself. All these are compelling stories touching on various aspects of human lives. As Hippocrates said, "Wherever the art of medicine is loved, there is also love of humanity.
