How to Perform a Lease vs. Buy Equipment Analysis - A Step by Step Guide Meir Liraz

Businesses have difficulty raising capital - that's no secret. This difficulty (among other reasons) has caused many to look at leasing as an alternative financing arrangement for acquiring the use of assets. All types of equipment leasing-from motor vehicles to computers, from manufacturing machinery to office furniture-have become more and more attractive.

This guide describes various aspects of the lease/buy decision. It lists advantages and disadvantages of leasing and provides a format for comparing costs of the options.

My name is Meir Liraz and I'm the author of this book. According to Dun & Bradstreet, 90% of all business failures analyzed can be traced to poor management. This is backed up by my own experience. In my 31 years as a business coach and consultant to businesses, I've seen practically dozens of business owners fail and go under -- not because they weren't talented or smart enough -- but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work. And that is where this book can help, it will teach you how to avoid the common traps and mistakes and do everything right the first time.

Table of Contents:

1. Introduction
2. What Is a Lease?
3. Types of Leases
4. Kinds of Lessors
5. Advantages of Leasing
6. Disadvantages of Leasing
7. Accounting Treatment of Leases
8. Cost Analysis of Lease v. Loan/Purchase
9. Look Before You Lease
10. How to Manage a Business Effectively

Timothy Bullock:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This How to Perform a Lease vs. Buy Equipment Analysis - A Step by Step Guide can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Rose Davies:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this How to Perform a Lease vs. Buy Equipment Analysis - A Step by Step Guide can make you really feel more interested to read.
