Kicking a Dead Horse Sam Shepard

A solitary man digs a hole in the ground, near a dead horse. Amidst the clutter of food and equipment stands Hobart Struther, who has ridden all the way out to the middle of nowhere on a holy mission. But one day into his “Great Sojourn,” things are looking bleak. His horse has choked to death, he’s miles away from civilization, and there’s not a person around to talk to – other than himself. As Hobart examines his rise — how he built a vast art collection while ensconced in a comfortable Park Avenue lifestyle — he digs deep into his own history, unearthing truths about his past while still struggling to find the answers he needs. With Shepard’s linguistic flair, subtle humor, and probing insights, *Kicking a Dead Horse* is an invigorating addition to the works of one of America’s most innovative playwrights.
