## **Stealing Your Life: The Ultimate Identity Theft Prevention Plan** Frank W. Abagnale

When Frank Abagnale trains law enforcement officers for the FBI's National Academy about identity theft, he asks agents for their addresses and nothing more. The next day, he returns with everything he would need to steal their lives: Social Security numbers, dates of birth, current salary, checking account numbers, the names of everyone in their family, and more. This illustrates how easy it is for anyone from anywhere in the world to assume our identity and, in a matter of hours, devastate our lives in ways that can take years to recover from.

Considering the fact that a fresh victim is hit in the U.S. every four seconds, *Stealing Your Life* is the reference everyone needs, by an unsurpassed authority on the latest identity-theft schemes.
