Animal Farm George Orwell
With a foreword by Ann Patchett

George Orwell's timeless fable - a parable for would-be liberators everywhere, glimpsed through the lens of our own history

As ferociously fresh as it was more than a half century ago, this remarkable allegory of a downtrodden society of overworked, mistreated animals, and their quest to create a paradise of progress, justice, and equality is one of the most scathing satires ever published. As we witness the rise and bloody fall of the revolutionary animals, we begin to recognize the seeds of totalitarianism in the most idealistic organization; and in our most charismatic leaders, the souls of our cruelest oppressors.

This new , beautiful paperback edition with a foreword by Ann Patchett features deckled edges and french flaps -- a perfect gift for any occasion.
