## Curriculum Development in Nursing: Process and Innovation

Education for nurses and allied health professionals is being radically overhauled both in the UK and overseas. *Curriculum Development in Nursing* offers nurse educators a single text that covers curriculum development processes, and highlights case study examples on innovation in approaches to nurse education.

Written by internationally well-known authors based in South Africa, who take a truly international perspective looking at education in the UK, Europe and the US, as well as Africa and the Middle East, this book is an essential guides to curriculum development and will be an invaluable resource for nurse educators and postgraduate nursing students internationally.
