How Not to Kill Your Baby

Jacob Sager Weinstein

How Not to Kill Your Baby Jacob Sager Weinstein

"This laugh-out-loud hilarious book is mandatory reading for parents, and should be taught in schools as the "cautionary tale" portion of Sex Ed. Run don't walk to buy it, and if you're a baby with lethal parents, crawl don't roll." --Rob Kutner (writer, *The Daily Show*, *Conan*, *The Future According To Me*)

"Unlike babies themselves, copies of Jacob Sager Weinstein's book can be bought and sold on the open market. Buy two and bring joy and laughter to the lives of a copy-less couple." --Jose Arroyo (writer, *Conan*)

"The "s-a-g-e" in Jacob's middle moniker indicates exactly that. He is a whimsically wise and hysterically funny fellow whom any child (or book buying adult) would be wise to listen to." --Dennis Miller

"If you don't buy this book and then your baby dies, how are you going to feel? Pretty bad, I imagine." --Larry Doyle (writer, *I Love You Beth Cooper*; *Go, Mutants!*; *The Simpsons*)

Have you ever read a parenting book that left you feeling inadequate and/or terrified? In other words, have you ever read any parenting book whatsoever?

If so, you need *How Not To Kill Your Baby*, a hilarious parody of every fear-mongering, crazy-making pregnancy and parenting manual you've ever cringed over. Just consider the following advice:

* "As you know if you have ever seen someone give birth in a movie or television show, all newborns emerge with adorable round faces, pudgy limbs, and twinkling eyes. If, by contrast, the nurse hands you a tiny, squawling creature with the face of an old man and skin covered in goo, hand it back immediately. There has clearly been some sort of mixup with a nearby ward for senile midgets."

* "It's essential that you keep careful track of your baby's every bodily function. That way, when she is president of the United States and a paranoid-minded conspiracy movement springs up denying her eligibility for the position, you will have documentary proof that she did, in fact, poop on U.S. soil at 8:23AM on February 23."

* "When choosing a nursery school, make sure to visit first, and ask the teachers about their educational philosophies. Then ask about their criminal records. If they insist they have none, you may need to keep asking, perhaps while shining a bright light in their face. Also, take their fingerprints, then follow them home from a discreet distance and go through their trash. Oh, and don't forget to thank them for their dedication to helping the young!"

* "It is easy to adjust your parenting techniques as your children grow: simply do and say the exact same things, but raise your voice by one decibel for every year of your child's age."

How Not To Kill Your Baby is printed on child-safe, 100% piranha-free paper, and bound without the use of exploding staples. You'll get no such promise from *What To Expect When You're Expecting*.

How Not To Kill Your Baby is the book for you... unless you're some kind of baby-hating creep who wants to parent all wrong.

From reader reviews:

Benjamin Holmes:

What do you consider book? It is just for students because they are still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has distinct personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book How Not to Kill Your Baby. All type of book is it possible to see on many methods. You can look for the internet methods or other social media.

Greg Little:

The reason? Because this How Not to Kill Your Baby is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I were being you I will go to the book store hurriedly.

Ramon Jeter:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try issue that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love How Not to Kill Your Baby, you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Patti Wooden:

Do you like reading a book? Confuse to looking for your best book? Or your book seemed to be rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes examining, not only science book but novel and How Not to Kill Your Baby or even others sources were given expertise for you. After you know how the great a book, you feel need to read more and more. Science reserve was created for teacher or maybe students especially. Those publications are helping them to include their knowledge. In additional case, beside science reserve, any other book likes How Not to Kill Your Baby to make your spare time a lot more colorful. Many types of book like this.
