Killing Monica Candace Bushnell

This is the book fans of Candace Bushnell have been waiting for. From the author of *Sex and the City*, *Lipstick Jungle*, and *The Carrie Diaries* comes an addictive story about fame, love, and foolishness that will keep readers enthralled to the very last enticing scene.

Pandy "PJ" Wallis is a renowned writer whose novels about a young woman making her way in Manhattan have spawned a series of blockbuster films. After the success of the Monica books and movies, Pandy wants to attempt something different: a historical novel based on her ancestor Lady Wallis. But Pandy's publishers and audience only want her to keep cranking out more Monica—as does her greedy husband, Jonny, who's gone deeply in debt to finance his new restaurant in Las Vegas.

When her marriage crumbles and the boathouse of her family home in Connecticut goes up in flames, Pandy suddenly realizes she has an opportunity to reinvent herself. But to do so, she will have to reconcile with her ex-best friend and former partner in crime, SondraBeth Schnowzer, who plays Monica on the big screen—and who may have her own reasons to derail Pandy's startling change of plan.

In **KILLING MONICA**, Candace Bushnell spoofs and skewers her way through pop culture, celebrity worship, fame, and the meaning of identity. With her trademark humor and style, this is Bushnell's sharpest, funniest book to date

From reader reviews:

Donald Dickens:

In this 21st centuries, people become competitive in most way. By being competitive today, people have do something to make these people survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that at times many people have underestimated it for a while is reading. Yes, by reading a guide your ability to survive boost then having chance to stand than other is high. For you personally who want to start reading some sort of book, we give you that Killing Monica book as beginning and daily reading e-book. Why, because this book is more than just a book.

Patricia Bush:

As people who live in the actual modest era should be update about what going on or details even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know what type you should start with. This Killing Monica is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Lizabeth Melgar:

Precisely why? Because this Killing Monica is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

Ethel Swafford:

Within this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple solution to have that. What you are related is just spending your time almost no but quite enough to have a look at some books. One of many books in the top checklist in your reading list is usually Killing Monica. This book which is qualified as The Hungry Inclines can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.
