Mere Christianity Study Guide: A Bible Study on the C.S. Lewis Book Mere Christianity Steven Urban
Mere Christianity Study Guide takes participants through a study of C.S. Lewis's classic, Mere Christianity. Yet despite its recognition as a "classic," there is surprisingly little available today in terms of a serious study course.

This 12-week Bible study digs deep into each chapter and in turn into Lewis's thoughts. Perfect for small group sessions this interactive workbook includes daily, individual study as well as a complete appendix and commentary to supplement and further clarify certain topics. Multiple week format options are also included.

The Mere Christianity Study Guide features:

- 12 Week Bible study with multiple week options included
- Interactive Workbook with daily study
- Complete appendix for commentary and to go deeper
- Study questions are ideal for group discussion
- Answers to all questions included online
- Ideal for small groups or individual study

Endorsement

I recommend the book for all who take their faith seriously and want to grow to be all they can be in Christ.
