Spaced Out (Moon Base Alpha)

Stuart Gibbs

Spaced Out (Moon Base Alpha) Stuart Gibbs

The moon base commander has gone missing and Dash Gibson is on the case in the second mind-boggling mystery of the Edgar-nominated Moon Base Alpha series from the *New York Times* bestselling author of *Belly Up* and *Spy School*.

There's nowhere to hide on the world's first moon base. After all, it's only the size of a soccer field. So when Nina Stack, the commander of Moon Base Alpha, mysteriously vanishes, the Moonies are at a total loss.

Though he may be just twelve years old, Dashiell Gibson is the best detective they've got. But this confusing mystery pushes him to his limits. Especially since he has his own huge secret to protect. With the fate of the entire human race hanging in the balance, will Dash be able to solve the mystery of the missing Moonie?
