**The Mom I Want to Be: Rising Above Your Past to Give Your Kids a Great Future** T. Suzanne Eller

A woman's experience as a mother is influenced by the mothering she received as a child. If neglect was a part of that upbringing, the woman who holds a newborn and faces the responsibility of parenting needs a healthy vision of motherhood.

T. Suzanne Eller compassionately discusses how a woman can turn from a painful past and embrace a godly example of motherhood. She shares

- how shattered legacies can be put back together
- the path to restoring the broken image of motherhood
- ways to let go and embrace a new story

This is a celebration of God's healing power and how all women can become the mom they want to be.
