## The Strengths Perspective in Social Work Practice (6th Edition) (Advancing Core Competencies)

Dennis Saleebey

*A conceptual and practical presentation of the strengths perspective in social work.*

Part of Advancing Core Competencies Series, a unique series that helps students taking advanced social work courses apply CSWE's core competencies and practice behaviors examples to specialized fields of practice.

The Strengths Perspective in Social Work Practice, 6/e, presents both conceptual and practical elements of the strengths perspective - from learning about and practicing the strengths perspective to using the strengths perspective with older adults, the chronically ill, and substance abusers.

Many of the chapters- address recent events –from the tragic shooting in Tucson to the uprisings in the Middle East. Each chapter begins with a section from an expert in the field.

### Teaching & Learning Experience

- *Improve Critical Thinking* – Each chapter contains four critical thinking questions and two short essay questions that require the reader to apply key concepts.
- *Engage Students* – Extensive case examples keep students interested and help them see a connection between theory and practice.
- *Explore Current Issues* – Three new chapters have been added to reflect the most current knowledge in the field.
- *Apply CSWE Core Competencies* – The text integrates the 2008 CSWE EPAS, with critical thinking questions and practice tests to assess student understanding and development of competencies and practice behaviors.
- *Support Instructors* – PowerPoint presentations are available with this text.
