Cross-Cultural Management: Foundations and Future

Cross-Cultural Management: Foundations and Future

Academics worldwide need empirically developed, concise ideas to make their cross-cultural teams and organizations productive. This invaluable reference tool provides an essential resource for academics to develop their understanding and professional practice in working across cultural boundaries. It considers the fundamental theories and frameworks of cross-cultural management and deepens our understanding of how they can be applied to management knowledge. Managers, researchers, students, HRM practitioners, and specialists in international business and cross-cultural affairs, will find this book a valuable reference source. Chapters suggest how frameworks can be further developed and how managers and employees can put them to use so as to build cross-cultural understanding and productive cross-functional teams.
