## **Illusion: A Novel** Frank Peretti

In a world where nothing is as it seems, anything is possible.

DANE AND MANDY, a popular magic act for forty years, are tragically separated by a car wreck that claims Mandy's life—or so everyone thinks. Even as Dane mourns, Mandy awakes in the present as the nineteen-year-old she was in 1970. Distraught and disoriented in what to her is the future, she is confined to a mental ward until she discovers a magical ability to pass invisibly through time and space to escape. Alone in a strange world, she uses her mysterious powers to eke out a living, performing magic on the streets and in a quaint coffee shop.

Hoping to discover a new talent, Dane ventures into the shop and is transfixed by the illusions that even he, a seasoned professional, cannot explain. But more than anything, he is devastated by this teenager who doesn't know him, is certainly not in love with him, but is in every respect identical to the young beauty he first met and married some forty years earlier.

They begin a furtive relationship as mentor and protégée, but even as Dane tries to sort out who she really is and she tries to understand why she is drawn to him, they are watched by secretive interests who not only possess the answers to Mandy's powers and misplacement in time but also the roguish ability to decide what will become of her.

Exceptionally well written, full of twists and mystery, *Illusion* will soon prove another Peretti classic.
