Piper has a secret about the coming week... but, tonight, she and Isabella are going out for their first adventure together in quite some time. Now that things are good between them again, it's time for some fun, and Isabella has a rather ambitious target in mind.

Content advisory: contains strong themes of domination and submission, first times between girls, and a long, salacious buildup and payoff.

This is Part 19 of "Steps to Submission", following Piper's descent into sexuality and depravity at the hands of her roommate.
