Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare)

James H. Willbanks

Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare) James H. Willbanks

This volume in the *Weapons and Warfare* series describes the history of machine guns from the mid-19th century to the present, following both the evolution of small arms technology and the impact of machine guns on the battlefield, on military strategy, and on human society.

This book discusses subjects ranging from the forerunners of mechanical and automatic guns, to the unusual history of the Civil War-era Gatling gun (the first practical machine gun, not used by the Union army because Gatling was a Southerner), to the machine guns developed for the world wars and those for present day use. Readers will see how the advent of the machine gun revolutionized ground combat—and how in some instances, technology outran tactics and doctrines, with disastrous consequences.

From reader reviews:

Billie Sneed:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each reserve has different aim or even goal; it means that reserve has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They can be reading whatever they take because their hobby is reading a book. Consider the person who don't like looking at a book? Sometime, man or woman feel need book once they found difficult problem as well as exercise. Well, probably you should have this Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare).

Bonnie Camacho:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some research before they write on their book. One of them is this Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare).

Joyce Pippin:

Why? Because this Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare) is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Johnny Sutton:

That book can make you to feel relax. This book Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare) was vibrant and of course has pictures on there. As we know that book Machine Guns: An Illustrated History of Their Impact (Weapons and Warfare) has many kinds or style. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore , not at all of book are make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading in which.
