Poppy (Tales from Dimwood Forest) Avi

From acclaimed Newbery-winning author Avi comes the thrilling and heartwarming second book in the classic animal adventure series, The Tales of Dimwood Forest.

At the very edge of Dimwood Forest stood an old charred oak where, silhouetted by the moon, a great horned owl sat waiting. The owl's name was Mr. Ocax, and he looked like death himself. With his piercing gaze, he surveyed the lands he called his own, watching for the creatures he considered his subjects. Not one of them ever dared to cross his path . . . until the terrible night when two little mice went dancing in the moonlight. . . .

A perennially popular story of courage and determination, *Poppy* is a fixture on state award lists and in classrooms across the country.

Supports the Common Core State Standards
