Quitter: Closing the Gap Between Your Day Job & Your Dream Job Jon Acuff

An insightful, witty look at how to turn a job into a dream without turning that dream into a nightmare. *Quitter* is a book about how it's possible not only to survive but actually thrive in the tension between a day job and a daydream. With the wit and insight gained in a dozen years of cubicle living, Acuff shows us all why we don't have to become the "I'm, but" generation. I'm a teacher, but I want to be an artist. I'm a project manager, but I want to start my own business. If you've ever sat in a cubicle and thought, *I don't want to do this job for the rest of my life*, this book is for you.
