Song of Songs

Christopher Kelly

Song of Songs Christopher Kelly

The Song of Songs is a profoundly mysterious poem. It is both deeply spiritual and dangerously sensual. It has puzzled and delighted readers and scholars for hundreds of years, being translated more than any other part of the Bible. Christopher Kelly takes a new approach, uncovering a miraculously complex structure in the Song. Understanding this structure is the key to the Song's lock, opening the door on a true love story. It is the searing narrative of one vulnerable girl's devotion and her sexual and spiritual growth into a woman. Her forbidden passion for the boy, her 'king,' forces her to arrange a series of secret trysts that grow riskier and riskier as the poem progresses. The Song has the timeless qualities of Romeo and Juliet, with all the excitement and jeopardy such love entails. It also manages to speak to modern issues such as sex, spirituality and feminism. Enjoy the Song again for the first time.
