Sun signs

Linda Goodman

Sun signs Linda Goodman

Before 1968, astrology had a narrow following in the United States and around the world. The publication of Linda Goodman's Sun Signs in 1968 changed that forever. Magazines and newspapers started running astrology columns. Linda Goodman contributed insert pieces to the mass circulation women's magazines. An ever-increasing percentage of people knew their sign (and yours) and studied astrological tendencies.

Linda Goodman's Sun Signs has been the worldwide introductory "bible" to astrology since publication. The book's organization is simplicity itself – sign by sign, the Man, Woman, Child, Boss and Employee.

This edition of Linda Goodman's Sun Signs has been fully updated to make references to people current. Linda Goodman's magical first-person writing has been preserved in the context of a contemporary experience for the reader.

The 2011 e-book edition of Linda Goodman's Sun Signs is the first time that this classic work has been available in e-book formats.

Linda Goodman

Linda Goodman, a native of West Virginia, popularized astrology with the publication of Linda Goodman's Sun Signs in 1968. Sun Signs is the only astrology book ever to appear on the New York Times bestseller list. It has sold tens of millions of copies worldwide and is the single most widely read introduction to astrology in the world.

Ten years after the Sun Signs phenomenon, Linda Goodman published Linda Goodman Love Signs which answered the question posed by every reader of astrology – how does my sign relate to the twelve signs of the zodiac. Love Signs was at least as big an international success as Sun Signs.

Linda Goodman led a very private life. She rarely granted interviews and infrequently responded to the tens of thousands of pieces of fan mail.

From reader reviews:

Edward Knudsen:

The book Sun signs can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Sun signs? Wide variety you have a different opinion about guide. But one aim that will book can give many info for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or information that you take for that, you may give for each other; it is possible to share all of these. Book Sun signs has simple shape however, you know: it has great and big function for you. You can seem the enormous world by open up and read a book. So it is very wonderful.

John Pasko:

Here thing why this specific Sun signs are different and reliable to be yours. First of all studying a book is good however it depends in the content of computer which is the content is as tasty as food or not. Sun signs giving you information deeper as different ways, you can find any reserve out there but there is no e-book that similar with Sun signs. It gives you thrill studying journey, its open up your own personal eyes about the thing that will happened in the world which is might be can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Sun signs in e-book can be your choice.

Joseph Mesta:

The experience that you get from Sun signs may be the more deep you searching the information that hide in the words the more you get serious about reading it. It does not mean that this book is hard to know but Sun signs giving you buzz feeling of reading. The copy writer conveys their point in a number of way that can be understood by means of anyone who read that because the author of this publication is well-known enough. That book also makes your own vocabulary increase well. That makes it easy to understand then can go along, both in printed or e-book style are available. We advise you for having that Sun signs instantly.

Nancy Landry:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from the book. Book is prepared or printed or illustrated from each source which filled update of news. In this modern era like now, many ways to get information are available for anyone. From media social including newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just looking for the Sun signs when you desired it?
