Just What Kind of Mother Are You? Paula Daly

In Paula Daly's pulse-pounding and gut-wrenching debut novel, motherhood, marriage, and friendship are tested when a small-town community is unsettled by a string of shocking events.

Lisa Kallisto is doing her best to juggle the demands of an overburdened life: she holds down a busy job running an animal shelter, cares for three demanding children, and worries that her husband isn't getting enough TLC. During an incredibly hectic week, Lisa takes her eye off the ball for just a moment, and her whole world descends into a nightmare. Her best friend's thirteen-year-old daughter goes missing, and it's all Lisa's fault. Wracked with guilt over her mistake, and having been publicly blamed, Lisa sets out to right her wrong. But as she begins digging beneath the surface, Lisa learns that everything is not quite what it first appears to be.

Gripping and fast-paced, *Just What Kind of Mother Are You?* introduces an outstanding new thriller writer with a sharp eye and terrifying imagination for the horrors that lurk in our everyday lives.
