Real Men Will (Hqn) Victoria Dahl

It was meant to be a one-night stand. One night of passion. Scorching-hot. Then Beth Cantrell and Eric Donovan were supposed to go their separate ways. That's the only reason he lied about his name, telling her he was really his wild younger brother. Hiding his identity as the conservative Donovan. The "good one." But passion has its own logic, and Eric finds he can't forget the sable-haired beauty with whom he shared a night of love. When Beth discovers that Eric has lied, however, she knows he can't be trusted. Her mind tells her to forget the blue-eyed charmer. If only every fiber of her being didn't burn to call him back.
