Safe School Ambassadors: Harnessing Student Power to Stop Bullying and Violence Rick Phillips, John Linney, Chris Pack

Safe School Ambassadors is an essential guide for school administrators, counselors, teachers, parents, and youth organization leaders. It challenges the current "outside-in" thinking that keeping schools safe is accomplished primarily by adults through heightened security and stricter policies. It makes the case for a complementary "inside-out" approach that taps the power of students to change the social norms of a school culture in order to stop bullying and violence.
