War Story

Gwen Edelman

War Story Gwen Edelman

War Story is a novel that has already caused heated pre-publication debate here and abroad, where rights have been sold to leading literary publishers in six countries.

What is never in dispute, though, is Gwen Edelman's power as a writer: in stark, spare language, she has created an unforgettable and passionate love affair that raises questions about morality and identity, memory and character. Is the troubled moral fiber of Joseph his human nature, or did he become who he is out of necessity, to survive the horrific circumstances placed on a Jewish boy growing up in Europe during the war?

Reminiscent of Bernhard Schlink's *The Reader*, *War Story* is about the relationship between a once-famous postwar playwright and a young aspiring writer who meet in a secondhand bookstore in New York City, and begin a love affair that takes the reader from Vienna to Amsterdam, to Palestine, Paris, and New York. Told from the perspective of Kitty during a train ride from Paris to her former lover's funeral in Amsterdam years later, it is a story of how love and sexual relationships can form our identities, nurture us, as well as harm us. As indelible as it is controversial, *War Story* is the stunning debut of an extraordinary talent.

From reader reviews:

Shawn Farr:

Here thing why this War Story are different and reliable to be yours. First of all examining a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. War Story giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with War Story. It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in area, café, or even in your means home by train. For anyone who is having difficulties in bringing the branded book maybe the form of War Story in e-book can be your substitute.

James Furlow:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is within the former life are difficult to be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you receive the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take War Story as your daily resource information.

Wanda Collins:

This War Story is great reserve for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. That book reveal it details accurately using great manage word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having War Story in your hand like keeping the world in your arm, info in it is not ridiculous one. We can say that no guide that offer you world in ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt that will?

Karen Morris:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why so many concern for the book? But almost any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but additionally novel and War Story or maybe others sources were given understanding for you. After you know how the truly amazing a book, you feel wish to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to bring their knowledge. In various other case, beside science e-book, any other book likes War Story to make your spare time far more colorful. Many types of book like this.
