Doctor Who: Big Bang Generation

Gary Russell

Doctor Who: Big Bang Generation Gary Russell

An original adventure tying in to the ninth season of Doctor Who, the spectacular hit series from BBC Television, featuring the new 12th Doctor as played by Peter Capaldi.

"I'm an archaeologist, but probably not the one you were expecting."

Christmas 2015, Sydney, New South Wales, Australia.

Imagine everyone's surprise when a time portal opens up in Sydney Cove. Imagine their shock as a massive pyramid now sits beside the Harbour Bridge, inconveniently blocking Port Jackson and glowing with energy. Imagine their fear as Cyrrus "the mobster" Globb, Professor Horace Jaanson and an alien assassin called Kik arrive to claim the glowing pyramid. Finally imagine everyone's dismay when they are followed by a bunch of con artists out to spring their greatest grift yet.

This gang consists of Legs (the sexy comedian), Dog Boy (providing protection and firepower), Shortie (handling logistics), Da Trowel (in charge of excavation and history) and their leader, Doc (busy making sure the universe isn't destroyed in an explosion that makes the Big Bang look like a damp squib).

And when someone accidentally reawakens *The Ancients of the Universe* - which, Doc reckons, wasn't the wisest or best-judged of actions – things get a whole lot more complicated...
