Evidence-Based Psychotherapies for Children and Adolescents, Second Edition

Evidence-Based Psychotherapies for Children and Adolescents, Second Edition

Widely regarded as a premier text and clinical resource, this book presents exemplary treatment approaches for a broad range of social, emotional, and behavioral problems in children and adolescents. Concise chapters from leading authorities describe the conceptual underpinnings of each therapy, how interventions are delivered on a session-by-session basis, and what the research shows about treatment effectiveness. Contributors discuss recommended manuals and other clinical and training resources and provide details on how to obtain them.
