## **Middling** Toby Wallis

When Peter gets killed on his way to work one morning he figures things can't get much worse. He is wrong. In the space between this life and the next is the little seaside town of Middling. It seems nice enough, the people are pleasant and the atmosphere is relaxed. But things aren't quite what they seem. Middling is a town with secrets hidden just below the surface. When Peter arrives in Middling he is lost, alone and covered in blood. Before he knows it he has been implicated in a shadowy prophecy, told he will be the one to rescue Middling, and instructed never, ever, to go down to the seafront. But Peter isn't interested in any of it. He just wants to go home again. Surreal and imaginative, Middling is the story of one mans attempt to make sense out of his senseless afterlife.

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Middling can make you truly feel more interested to read.
