The Holocaust and History: The Known, the Unknown, the Disputed, and the Reexamined

This volume presents the results of nearly fifty years of scholarship on the Holocaust by the world's most eminent researchers. Approaching the Shoah from diverse points of view, historians and sociologists, political scientists and theologians, literary scholars and psychologists disclose the insights yielded by their investigations. Growing out of the inaugural conference of the United States Holocaust Memorial Museum's Research Institute, the book defines the state of knowledge about the Holocaust a half century after the event.
