Walk Through Darkness

David Anthony Durham

Walk Through Darkness David Anthony Durham

When he learns that his pregnant wife has been spirited off to a distant city, William responds as any man might—he drops everything to pursue her. But as a fugitive slave in Antebellum America, he must run a terrifying gauntlet, eluding the many who would re-enslave him while learning to trust the few who dare to aid him on his quest.

Among those hunting William is Morrison, a Scot who as a young man fled the miseries of his homeland only to discover even more brutal realities in the New World. Bearing many scars, including the loss of his beloved brother, Morrison tracks William for reasons of his own, a personal agenda rooted in tragic events that have haunted him for decades.

Following up on his award-winning debut, **Gabriel's Story**, David Anthony Durham presents another riveting tale, a brilliantly drawn portrait of America before the Civil War, and a provocative meditation on racial identity, freedom and equality.

From reader reviews:

Sarah Ruff:

Book will be written, printed, or illustrated for everything. You can learn everything you want by a reserve. Book has a different type. As you may know that book is important matter to bring us around the world. Adjacent to that you can your reading talent was fluently. A reserve Walk Through Darkness will make you to be smarter. You can feel more confidence if you can know about every little thing. But some of you think that will open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Mary May:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, the actual best subject for that? Just you can be answered for that query above. Every person has distinct personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great as well as important the book Walk Through Darkness. All type of book could you see on many solutions. You can look for the internet solutions or other social media.

William Rockwood:

What do you in relation to book? It is not important along with you? Or just adding material when you require something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They should answer that question because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific Walk Through Darkness to read.

Marge Lee:

Your reading sixth sense will not betray a person, why because this Walk Through Darkness publication written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written with good manner for you, dripping every ideas and creating skill only for eliminate your current hunger then you still doubt Walk Through Darkness as good book not just by the cover but also through the content. This is one book that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this specific!? Oh come on your reading through sixth sense already told you so why you have to listening to yet another sixth sense.
