A Run For Her Money:

Sara's day begins like any other. A routine extraction in tandem with a local Search and Rescue team.

Routine crashes to a halt when she ends up trapped in a hut, high in the Sierras. Four days later, running out of food for herself and her dog, she makes a bold dash for safety.

Jared's walking the Muir Trail when all hell breaks loose. After hunkering beneath a boulder pile for days, he dares a difficult cross-country route, hoping it'll put him into position to approach a backcountry ranger station. He locates the station, but it's locked tight. He's packing up to leave when a helicopter lands, with Sara at the helm. There's no time to trade war stories. It takes a leap of faith, but they throw in their lot together. Can they face the impossible and come out the other side unscathed?
