C Harmonica Book (The Complete 10-Hole Diatonic Harmonica Series) Jim Major

Finally! There is a definitive reference guide available for harmonicas in each and every key. This groundbreaking series unlocks the musical power of the 10-hole major diatonic harmonica. One key at a time, each is designed to present detailed musical information for beginners, intermediate and advanced players who are either music readers or non-reading players. Learn the notes, intervals, bends, overbends, dyads, chords, arpeggios, modes and scales that are specific to each harmonica key. There is also a special section in each book showing other types of diatonic harmonicas and the variations unique to them like extreme bending, low-tuned, octave and tremolo-tuned models and more.

Have you ever wondered which harmonica is the best one to use when you're ready to play a tune? Have you ever sat with a lap full of harmonicas desperately trying one after another, searching for the key that has all of the right notes? The Complete 10-hole Diatonic Harmonica Series is the definitive music reference guide that resolves those dilemmas and more. The C Harmonica Book is packed with information about chords, arpeggios, modes, positions, scales, bends, overbends and basic music theory unique to the 10-hole C major diatonic harp. Learn how to effectively play blues scales in seven different keys. It's simple. If you have a C harmonica you should own the C Harmonica Book.
